### Capital District Mylan World Team Tennis Recreational Leagues Merge

LATHAM, NEW YORK (August 22, 2014) – Tri-City Fitness is excited to announce the merging of its TCTA WTT indoor recreational franchise with All Points Tennis, Inc. WTT outdoor recreational franchise. The new franchise will keep the All Points name and enable Capital District tennis players to enjoy indoor and outdoor WTT all year round.

The new All Points WTT will not only continue to expand its many outdoor venues but will now have the advantage of using all of the Capital District indoor clubs – Tri-City Fitness in Latham, SPORTIME Schenectady and the Saratoga Regional YMCA Wilton Branch.

Adult recreational tennis players at all skill levels can experience one of the most unique formats in competitive tennis through an All Points Tennis WTT League. Matches in the Fall League will be played on Friday or Sunday evenings, depending on the division, from 6:00 PM to 8:00 PM beginning on October 3 and running through December. In January, there will be a Winter/Spring League that will run through the remainder of the indoor season. The Summer League will be played May through September at various outdoor clubs, public parks and school courts throughout the Capital District.

Mylan WTT Recreational Leagues have been played throughout the U.S. in more than 1,000 cities and features a team format that encourages equal contributions from both genders. A team has a minimum of four players - two men and two women. The Mylan WTT format includes six sets: men's and women's doubles, men's and women's singles and two sets of mixed doubles. The outcome of the match is decided based on the highest number of overall games won.

The court fees for the Mylan WTT Recreational League will be \$80 per team per match (\$20 per player). There is also a one-time \$10 per player registration fee. To join the Mylan WTT Recreational League, contact Jenny Irwin at (518) 928-9237. The deadline for teams to enter the league is September 15, 2014.
